

Rev. Rick Kress, ACFRE, is Principal of Kress Consulting and Gift Planning Associates, and one of about 100 people in the world with the Advanced Certified Fundraising Executive (ACFRE) credential.

Rick serves as counsel to nonprofit organizations, with deep experience in major and planned gifts, capital campaigns, feasibility studies, case statements, adaptive analytics, executive management, strategic planning, training, governance, and board development.

He is formerly the President of Providence Health Foundation, Vice President of Development & Volunteer Services at Providence Hospital and Medical Center, Vice President of Development and Public Relations at Lutheran Social Services of Michigan, and Vice President of Development at Beaumont Hospitals.

Rick has served on seven nonprofit boards, leading five of those as chair, including the AFP Greater Detroit Chapter in 2000. He has also been a speaker for many international, national, regional and local organizations.

He earned a B.A. with honors from Anderson University in Indiana, with graduate work at Ashland Theological Seminary and John Carroll University in Ohio. He lives in Shelby Township, Michigan.
